Steve-

Thanks a bunch. By the way, I understand that NMED took action on the latest LANL debris waste audit. Could you send me the record of that action?

As requested

By the way, where and when is the Jan. 16 quarterly?

Thanks,

Lindsay -

That is the most recent Class 2 mod. We have received a Class 1 notification dated December 12, available from the DOE WIPP RCRA documents page.
