Good Afternoon!

This is the third and final notice concerning the upcoming 73rd WIPP Quarterly Review meeting. The meeting is still scheduled for **Tuesday, January 16, 2001, at 9:00 AM**, and will be held in the North Atrium of the Harold Runnels building at the main NMED office at 1190 St. Francis Drive, Santa Fe. For parking, I recommend taking St. Francis to Cordova (Wild Oats Market is on the NW corner), turning left on Cordova, and taking the next left into the parking lot. Next year our office will be in a new location with adequate meeting space, so please accept my apologies in advance if this is not the optimal meeting space.

Attached is the final agenda, reflecting DOE's input. I'll be out the rest of today, so I'll see you at the meeting on Tuesday!

Sincerely,

Steve Zappe
Hazardous Waste Bureau
