Subject: MEMORANDUM OF UNDERSTANDING UPDATE

Dear Mr. Zappe:

Based on the Department of Energy's (DOE) Memorandums of Understanding (MOU) we are to notify you of any applicable changes to the MOU. Effective February 1, 2001, Westinghouse TRU Solutions, LLC., will replace Westinghouse Waste Isolation Division (WID) as the Management and Operating (M&O) Contractor for the DOE Waste Isolation Pilot Plant. Westinghouse TRU Solutions, LLC, like Westinghouse WID, are both companies owned by the Washington Group. We look forward to maintaining the professional relationships that we have developed in the past. Please note that since the MOUs are between the DOE and your agency there will be no changes in the MOU.

If you have any questions related to this change, please contact Emergency Preparedness Coordinator A. J. Hill at (505) 234-8223 or e-mail hilla@wipp.carlsbad.nm.us.

Sincerely,

D. J. Harward, Manager
Radiation Safety and Emergency Management
