Dear Mr./Ms. Hill -

I am in receipt of a letter from D.J. Harward regarding the replacement of Westinghouse WID by Westinghouse TRU Solutions and the impact of this change on the MOU between DOE and NMED. I am unaware of this particular MOU or your need to inform us of this change under this premise.

However, I am aware that DOE intends to notify us about this change as it relates to the WIPP Hazardous Waste Facility Permit issued by NMED.

Please provide me with a copy of the referenced MOU at your earliest convenience. Thank you.
