To: WIPP 1999 Site Environmental Report Recipients:

The purpose of this memo is to provide you with an errata sheet for the *WIPP 1999 Site Environmental Report*. After a review of the finalized document, a printing error for table 4.27, on page 60 was detected.

Inadvertently, the bottom five rows of data for the WFF and WSS sampling sites were not printed. Therefore, please peel off the back of the enclosed adhesive errata sheet and place it directly over the entire page 60 of the report sent to you earlier this year.

I apologize for any confusion this may have caused you in the review of this report. If you have any questions, please contact me at (505) 234-8293.

Sincerely,

S. B. Jones, Manager  
Environmental Monitoring
