Mr. Steve Zappe  
NM Environment Dept.  
2905 Pedro Park Drive, Bldg. E  
Santa Fe, New Mexico 87505

Dear Mr. Zappe,

I believe that all waste taken to WIPP should be identified before getting on the road not at WIPP. I am also against adding storage area and length of storage time.

If the wrong item ended up at WIPP, where would it go? \*

Sincerely,

Marjorie Williams
