Dear Mr. Zappe:

We are currently responding to the Environmental Protection Agency RFP No. PR-HQ-00-11879 for the procurement of RCRA Enforcement, Permitting and Assistance services. The EPA is placing increased emphasis in their acquisitions on past performance as a source selection evaluation factor. EPA requires offerors to inform references that EPA may contact them about past performance information.

If you are contacted by EPA for information on work we have performed under contract for your agency, you are hereby authorized to respond to EPA inquiries.

Your cooperation is appreciated. Please direct any questions to me at 703-818-1000, or [rweissman@techlawinc.com](mailto:rweissman@techlawinc.com).

Sincerely,

Rob Weissman  
Vice President and General Counsel
