***Waste Isolation Pilot Plant
Notification of Class 1 Permit Modifications***

The US Department of Energy (DOE) Carlsbad Field Office (CBFO) and Westinghouse TRU Solutions LLC (WTS) are notifying you of several Class 1 Permit Modifications to the Waste Isolation Pilot Plant Hazardous Waste Facility Permit, Permit Number: NM4890139088-TSDF.

Class 1 permit modification notices were submitted to the New Mexico Environment Department. The following is a summary of the changes made with each notification.

May 21, 2001

One change was made regarding general permit provisions. Included in this modification was:

Replace the 10 part B6 checklist with the original 6 part B6 checklist (Affected only Attachment B6)

June 28, 2001

Nine changes were made regarding general permit provisions. Included in this modification were the following:

- Item 1 Update the Contingency Plan to reflect current facility operations and correct the Hazardous Materials Incident Report to reflect current organizational titles. (Affected Table F-6) (Affected only Attachment F)

~Notice~

-2-

- Item 2 Change a regulatory reference (Affected only Attachment B).
- Item 3 Revise the WAP to accurately reflect the information regarding waste containers and shipping documents. (Affected only Attachment B).
- Item 4 Update job descriptions and job titles to reflect current operations. Delete obsolete procedures and correct typographical errors. (Affected Attachments: Attachment H, H1 and H2). (Affected Figure H-1)
- Item 5 Revise the permit to reflect a new MOC General Manager (Affected Attachments: Attachment A and O)
- Item 6 Revise mining height and width to reflect actual practice (Affected only Attachment M2)
- Item 7 Update permit to reflect correct procedure number (Affected only Attachment L)
- Item 8 Clarification of training requirements (Affected only Attachment H2)
- Item 9 Correct inconsistencies in DOE's free release criteria (Affected only Attachment M1)

Questions about this notification should be directed to Mr. Jody Plum at (505) 234-7462.

Complete copies of the permit modification notices are available at the New Mexico Environment Department located at 2905 Rodeo Park Drive East, Building 1, Santa Fe, New Mexico or they may also be reviewed at the WIPP Information Center by calling (800) 336-9477.
