RE: Transmittal of the Re-Certification Audit Report for the Rocky Flats  
Environmental Technology Site (A-01-07)

Dear Mr. Zappe:

This letter transmits the Rocky Flats Environmental Technology Site re-certification Audit Report for the processes being performed to characterize and certify contact handled debris waste (summary category group S5000) as required by Section II.C.2.c of the WIPP Hazardous Waste Facility Permit. The report contains the results of the annual re-certification audit performed for the processes previously approved by NMED for the characterization and certification of retrievably stored debris waste. The audit was conducted January 29 - February 1, 2001.

*I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.*

If you have any questions concerning this audit report, please contact Thomas J. Reese at (505) 234-7311.

Sincerely,

Dr. Inés R. Triay  
Manager
