Subject: Transmittal of the Certification Audit Report for the Westinghouse TRU Solutions, Central Characterization Project (A-02-09)

Dear Mr. Zappe:

This letter transmits the Westinghouse TRU Solutions, Central Characterization Project (CCP) Certification Audit Report for the processes being performed to characterize and certify contact handled debris waste (summary category group S5000) as required by Section II.C.2.c of the WIPP Hazardous Waste Facility Permit. The report contains the results of the certification audit performed for the processes for the characterization and certification of retrievably stored debris waste. The audit was conducted October 15-19, 2001.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

Please contact the CBFO Acting Quality Assurance Manager, Thomas J. Reese, at (505) 234-7311 should you have any questions concerning this audit report.

Sincerely,

Dr. Inés R. Triay  
Manager
