TO: Paul Shoemaker, SNL

The Carlsbad Field Office (CBFO) has evaluated the Corrective Action Plans for the respective CARs. The results of the evaluation indicate that SNL has adequately addressed the issues identified in the CARs 02-012 through 02-015. The evaluation results are documented in the attached CAR Continuation Sheets.

To expedite the verification process, please advise CBFO, and provide documented confirmation when all actions contained within the corrective action plans have in fact been completed.
