Subject: Shallow Subsurface Water at WIPP

Dear Mr. Marshall:

At our meeting Friday, October 4th, you requested that we provide copies of the two large maps that were reviewed during the meeting. While we left the maps used at the meeting, with you, one map had an error in it. Enclosed are copies of the maps that contain the corrected information. We are also sending Will Fetner copies of these maps to ensure that the Hazardous Waste Bureau also has them, as he requested.

As we discussed during the meeting, WIPP will submit a Notice of Intent to the Groundwater Quality Bureau by October 31, 2002. In the meantime, if you have any questions regarding this matter or the enclosed maps, please call me at (505) 234-7349 or Mr. Dale Bignell at (505) 234-7545.

Sincerely,

*Harold Johnson*
