TRU SOLUTIONS LLC (WTS)

Dear Mr. Zappe:

On February 27, 2003, Westinghouse TRU Solutions LLC (WTS) submitted detailed environmental compliance and disclosure information related to WTS. In that transmittal package, WTS committed to submit supplemental disclosure information to you by Friday, March 7, 2003. On March 7, 2003, WTS submitted some of this supplemental information. However, for various reasons, including compilation of extensive business and personal information from numerous sources, we are still in the process of gathering this information. In our correspondence dated March 7, 2003, WTS noted that additional information would be transmitted when it becomes available. Please be informed that WTS expects to have all requested information to NMED no later than March 21, 2003.

This Friday, March 14, 2003, we expect to transmit the following additional information to NMED:

- (1) Business Concern Disclosure Form for Weston Solutions, Inc.;
- (2) Listed Business Concern Form for Weston Solutions, Inc.; and
- (3) Personal Disclosure Forms for certain designated individuals.

The above materials will constitute our complete package, with the exception of two additional personal history disclosure forms, which we expect will be received in Carlsbad on or before March 18, 2003.

Mr. Steve Zappe
