SUBJECT: Audit (A-03-22) of Rocky Flats Environmental Technology Site (RFETS) TRU Waste Characterization Activities

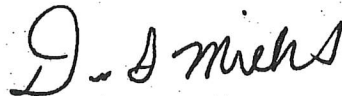

TO: John Schneider, Assistant Manager for Projects

Please be advised that a team of auditors and technical specialists from the Carlsbad Field Office (CBFO) will conduct an audit at Rocky Flats Environmental Technology Site (RFETS) on July 22-24, 2003. The audit will be conducted in accordance with the attached (revised) audit plan. The purpose of the audit is to determine whether additional TRU waste characterization activities should be certified by DOE/CBFO for the WIPP project. Representatives from DOE/CBFO, the New Mexico Environment Department (NMED), and the Environmental Evaluation Group (EEG) may be present to observe the audit process. Representatives of the US Environmental Protection Agency (EPA) may be present to perform an independent inspection.

Your representatives are requested to coordinate with the audit team to develop the necessary documentation for the audit team to gain access to RFETS facilities, conduct the audit, and have appropriate access to necessary documentation and records. Please provide meeting rooms (with overhead projector) to hold approximately 50 people for the entrance and exit meetings, working rooms for the audit team and the EPA inspectors, a full set of documentation applicable to RFETS work for the WIPP including the applicable procedures, two flip charts and marking pens for the audit team working room, and miscellaneous office supplies (e.g., pens, paper, copy machine, Post-It Notes, stapler, "scotch" tape, etc.) for each working room.

If you have any questions or comments concerning this audit, please contact me at (505) 234-7491.
