State of New Mexico Environment Department www.cardnm.org

Dear Mr. Zappe,

July 15, 2003

According to WIPP's compliance history, requested and received from your office yesterday (Thankyou), your department issued a notice of violation on November 2001, a compliance order against Respondents (CO 01-08) in 2002 and a notice of violation in November of 2003.

Would you please fax to us the 2001 violation, the 2002 compliance order (CO 01-08) and the November 2003 notice of violation so that our records might be complete on this subject. Thankyou.

If this task could be completed today, as soon as possible, we would greatly appreciate it.

Sincerely,
Janet Greenwald
Coordinator
