Re: Notification of Corrective Action Verification Visit for CARs 03-072 through 03-077 at INEEL, Advanced Mixed Waste Treatment Project Certification Audit

Dear Mr. Zappe:

This letter provides notification for a scheduled corrective action verification visit to the Idaho National Engineering and Environmental Laboratory (INEEL), Advanced Mixed Waste Treatment Project on October 15 and 16, 2003. The scope of this visit is to perform verification activities associated with the approved corrective action plans for Corrective Action Reports (CARs) 03-072, 03-073, and 03-074 which were classified as being RCRA related. The remaining CARs, 03-075 through 03-077, will also have their corrective actions verified during this visit.

The verification team will consist of the following individuals and will be conducted as a corrective action verification follow-up to audit A-03-05 which was performed on August 18 -22, 2003:

J. May	S. Calvert
BJ Verret	C. Wright
D. Blauvelt	P. Dugger
J. Schuetz	

Please contact the Quality Assurance Manager, Ava L. Holland, at (505) 234-7423 should you have any questions concerning this notification.

Sincerely,

Dr. Ines R. Triay
 Manager
