RE: Revised B6 Checklists for Audit A-03-15 of the Idaho National Engineering and Environmental Laboratory (INEEL), Independent Analytical Laboratories

Dear Ms. Martin:

The Carlsbad Field Office (CBFO) has revised the B6 Checklists associated with the final audit report for the INEEL Analytical Laboratories audit conducted at the INEEL. The INEEL audit was performed on May 19-22, 2003.

CBFO revised the subject B6 checklists after consideration of the NMED comments received for the final audit report for RFETS audit A-03-03. The corrections are highlighted in red for your convenience. Please replace the B6 checklists sent with the original submittal with the attached corrected versions.

If you have any questions or need additional information, please contact Ava Holland of my staff at (505) 234-7423.

Sincerely,

  
Dr. Inés R. Triay
