Dear Mr. Domenici,

This letter is in response to your letter of February 9, 2004, to Mr. Steve Zappe, requesting that he e-mail to you every Monday morning the administrative index for the State Initiated Permit Modification to the WIPP permit. The administrative index is not updated each time a new item is added to the file. It is updated at the time the file is transferred to the Hearing Officer. If the purpose of your request is to assure that you know about any additions to the file, it would be best if someone from your office called Mr. Zappe on a periodic basis to find out whether any items have been added. Please also be aware that according to the public notice, a person might file a written comment in lieu of oral comment with the hearing clerk after January 30, so you may also want to periodically check with the hearing clerk to find out if there have been recent filings of comments. Thank you for your cooperation.
