Re: Letter of Support

Dear Mr. Zappe:

After attending the Tuesday, February 17, 2004 meeting in Carlsbad on the proposed modifications to the hazardous waste facility permit for the Waste Isolation Pilot Plant, I would like to voice my support in favor of the Upgrade Waste Conveyance Loading Car (Class 2), Addition of Drum Age Criteria (DAC) for New Containers (Class 2), Container Management Improvements (Class 3) and Revisions to Current WIPP Waste Analysis Plan (Class 3).

Thank you for the informative meeting. Should you have any questions, please contact me at 505-234-2517.

Sincerely,
