**RE: REQUEST FOR COMMENTS ON CHANGES FOR THE ANNUAL UNIT AUDIT FOR CALENDAR YEAR 2003**

Dear Dr. Warren and Mr. Detwiler:

Enclosed please find a draft calendar year 2003 Annual Unit Audit (AUA) tables developed pursuant to 20.4.2 NMAC for your facility. The New Mexico Environment Department is providing a comment period for facility owners or operators to identify any changes that should be reflected in the final AUA tables for calendar year 2003. The tables are formatted accordingly: 1) Table A includes all operating, closure, and post-closure care units; 2) Table B includes corrective action units (e.g. SWMUs); and 3) Table C is the summary of all units.

If your facility has operating unit(s) that did not manage hazardous waste for the entire 2003 calendar year, a signed affidavit must be provided to NMED affirming no such activity. In those cases NMED will not invoice the unit for the 2003 Annual Hazardous Waste Management Business Fee (AHWMBF). Please provide the affidavit with your comments by the close of business May 31, 2004.

Under the provisions of 20.4.2.201 NMAC the AUA is also used to determine the AHWMBF for your facility. **Do not** calculate and submit the AHWMBF based on these tables. An invoice will be mailed with the Final Annual Unit Audit on June 30, 2004.
