Subject: Annex A of Attachment TFIELD, Appendix PA of the Compliance  
Recertification Application

Dear Ms. Cotsworth:

This letter provides recipients of paper copies of the Compliance Recertification Application (CRA) with Annex A of Attachment TFIELD of Appendix PA. This annex was inadvertently omitted from the CRA. Due to the large number of pages, the annex cannot be inserted into Volume 5, which contains Attachment TFIELD. Accordingly, this annex is provided in a separate binder labeled as Volume 5A. A compact disc of Annex A is included in the front pocket of the enclosed binder. A revised Table of Contents appears in the front pocket of the enclosed binder. It should be inserted at the front of Volume 1.

The Carlsbad Field Office regrets any inconvenience that the omission of this annex may have caused you.

Sincerely,

R. Paul Detwiler  
Acting Manager
