RE: Hazardous Waste Bureau records request

Dear Ashley:

As a follow-up to our discussion yesterday, we would like to receive copies of each compliance order, penalty calculation and settlement agreement issued by the Hazardous Waste Bureau since 1999. Based on our conversation, I understand that you are willing to make arrangements for those particular documents to be copied and provided to our office. If, based on our review of the documents, we decide that we need to undertake further review of any of the files, we will contact you to make additional arrangements.

Please let me know if you will be able to provide the requested documents or if additional arrangements need to be made. Thank you for your assistance in this matter.

Sincerely,

Pete V. Domenici, Jr.
