Subject: REQUEST FOR EXTENSION ON ACCELERATED CORRECTIVE ACTION REPORT 05-003

Dear Mr. Hedahl:

The Carlsbad Field Office has evaluated your request for an extension of the corrective action completion date associated with Corrective Action Report (CAR) 05-003. Based on the fact that your initial investigation identified audio problems with 22 video tapes, in addition to the timeframe needed to restore audio for each identified problem, your extension request is granted. The new due date for completion of all corrective actions associated with CAR 05-003 is January 17, 2005.

If you have any questions or comments, please contact Ava Holland at (505)234-7423.

Sincerely,

*Chuan-Fu Wu for*
