NOTIFICATION OF THE SUBMITTAL OF A CLASS 1 PERMIT MODIFICATION
REQUIRING PRIOR APPROVAL TO THE STATE OF IDAHO DEPARTMENT OF
ENVIRONMENTAL QUALITY

Dear Concerned Citizen:

Notice is hereby given that BNFL Inc. (i.e., the operator) and the U.S. Department of Energy, Idaho Operations Office (DOE-ID) (i.e., the owner), hereinafter collectively referred to as the Permittee, submitted a Class 1 Permit Modification Request (PMR) Requiring Prior Approval to the State of Idaho, Department of Environmental Quality (DEQ) on or about October 29, 2004. The Permit Modification proposed modifications to the Final Hazardous Waste Management Act (HWMA)/Resource Conservation and Recovery Act (RCRA) Storage Permit for the Advanced Mixed Waste Treatment Project (AMWTP) located at the Radioactive Waste Management Complex (RWMC) on the Idaho National Engineering and Environmental Laboratory (INEEL), hereinafter referred to as the AMWTP HWMA/RCRA Storage Permit.

This PMR addresses proposed revisions to the AMWTP HWMA/RCRA Storage Permit related to the turnover of operational activities of Waste Management Facility (WMF) – 610 from BNFL Inc. to Bechtel BWXT Idaho LLC (BBWI). It is estimated that BBWI will replace BNFL Inc. as the current operator of WMF-610 on December 30, 2004 at 12:01 A.M. DOE-ID will remain the owner of WMF-610. This PMR also incorporates information from equivalent or superior determinations made in accordance with Permit Condition II.M since the submittal of the last permit modification to the AMWTP HWMA/RCRA Storage Permit.

A copy of the PMR and related supporting documentation is available for public viewing and copying at the DOE-ID Public Reading Room located at University Place, 1776 Science Center Drive, Idaho Falls, Idaho. Please call (208) 526-9162 or, if no answer (208) 526-1185, for assistance in accessing the DOE-ID Public Reading Room.

Questions on the PMR should be directed to the DEQ's or the Permittee's contact person. The DEQ contact person for the PMR is Stephanie Carroll (208-373-0137) and the Permittee's contact person is Neil Brill (208-557-7316). The Permittee's compliance history during the life of the permit being modified is available from the DEQ contact person.

If you are no longer interested in receiving these notices or if your address has changed, please inform the DEQ contact person so that the mailing list can be updated.

The full declaration of value is required on all domestic and international registered mail. The maximum indemnity payable for the reconstruction of nonnegotiable documents under Express Mail document reconstruction insurance is \$500 per piece subject to additional limitations for multiple pieces lost or damaged in a single catastrophic occurrence. The maximum indemnity payable on Express Mail merchandise insurance is \$500, but optional Express Mail Service merchandise insurance is available for up to \$5,000 to some, but not all countries. The maximum indemnity payable is \$25,000 for registered mail sent with optional postal insurance. See *Domestic Mail Manual* R900, S913, and S921 for limitations of coverage on insured and COD mail. See *International Mail Manual* for limitations of coverage on international mail. Special handling charges apply only to Standard Mail (A) and Standard Mail (B) parcels.

The full declaration of value is required on all domestic and international registered mail. The maximum indemnity payable for the reconstruction of nonnegotiable documents under Express Mail document reconstruction insurance is \$500 per piece subject to additional limitations for multiple pieces lost or damaged in a single catastrophic occurrence. The maximum indemnity payable on Express Mail merchandise insurance is \$500, but optional Express Mail Service merchandise insurance is available for up to \$5,000 to some, but not all countries. The maximum indemnity payable is \$25,000 for registered mail sent with optional postal insurance. See Domestic Mail Manual R900, S913, and S921 for limitations of coverage on insured and COD mail. See International Mail Manual for limitations of coverage on international mail. Special handling charges apply only to Standard Mail (A) and Standard Mail (B) parcels.
