SUBJECT: Request for Extension on Accelerated CAR 05-009

TO: Joe Legare, Assistant Manager for Projects

The Carlsbad Field Office has evaluated your request for an extension of the corrective action completion date associated with Corrective Action Report (CAR) 05-009. Based on the fact that your initial investigation identified a large volume of records that need to be retrieved and processed as Waste Isolation Pilot Plant Acceptable Knowledge records, your extension request is granted. The new due date for completion of all corrective actions associated with CAR 05-009 is February 18, 2005.

If you have questions or comments, please contact Ava Holland at (505) 234-7423.
