

CCP STANDING ORDER

CCP-SO - 35

TITLE: Visual Examination (VE) of Retrievably Stored S3000 Waste

Applicability: This Standing Order applies to the use of VE data to certify S3000 Retrievably Stored Waste.

ORDER Visual Examination (VE) will not be used as the NDE process for certification of S3000 Retrievably Stored waste in WWIS unless a surveillance on the process has been performed by CBFO identifying why VE is the preferred method over Real time radiography (RTR).

This Order will remain in effect until:  
rescinded by the CCP Manager

Background: LANL CERT letter dated August 5, 2008 gives conditional approval for VE of S3000 retrievably stored waste pending CBFO surveillance of VE.
