Re: Evaluation and Approval of the Corrective Action Plan for Corrective Action Report 08-036, Audit A-08-24, Argonne National Laboratories Central Characterization Project

Dear Mr. Haar:

The Carlsbad Field Office has performed an evaluation of the corrective action plan (CAP) developed to address and correct the condition identified in CBFO Corrective Action Report (CAR) 08-036. This CAR was identified during CBFO Audit A-08-24, Argonne National Laboratories Central Characterization Project.

Evaluations of the proposed corrective actions are documented on the attached CAR continuation sheet and indicate the CAP is acceptable. Based on this evaluation, this CAP is approved.

If you have any questions or concerns regarding this evaluation, please contact me at (575) 234-7491.

Sincerely,

Dennis S. Miehl
Senior Quality Assurance Specialist
