Dear Mr. Ploetz:

The Carlsbad Field Office (CBFO) has reviewed the request for extension of the due date for corrective action completion for CBFO Corrective Action Report (CAR) 08-023. This CAR was a result of CBFO Audit A-08-10 of the Idaho National Laboratory Central Characterization Project.

The justification for the extension is acceptable and the extension has been approved. The due date for transmittal of completion documentation for all corrective actions associated with CAR 08-023 has been extended to October 30, 2008.

If you have questions or concerns, please contact me at (575) 234-7491.

Sincerely,
