NEW MEXICO ENVIRONMENT DEPARTMENT  
HAZARDOUS WASTE BUREAU  
SANTA FE, NEW MEXICO  
June 4, 2010

NOTICE OF PUBLIC COMMENT AND A PUBLIC HEARING ON THE DRAFT HAZARDOUS WASTE PERMIT FOR THE WASTE ISOLATION PILOT PLANT  
EPA ID NUMBER: NM4890139088

The New Mexico Environment Department (Department) is providing this public notice on a public hearing, and the opportunity for the public to comment on, a pending action before the Department for the Waste Isolation Pilot Plant (WIPP, or the Facility). Specifically, the Department intends to issue a hazardous waste permit (Permit) to WIPP to manage, store, and dispose hazardous waste, and to close hazardous waste disposal units, in accordance with the New Mexico Hazardous Waste Act (HWA) and its implementing regulations. The Department is charged with issuing a permit that will ensure that WIPP's hazardous waste operations are managed in a manner protective of human health and the environment.

waste facility currently operating under a Permit issued by the Department on October 27, 1999, which authorizes the management, storage, and disposal of transuranic (TRU) mixed waste at the Facility. Mixed waste is radioactive waste that is also a hazardous waste as defined by the HWA, and is thus subject to regulation by the Department. The U.S. Department of Energy Carlsbad Field Office (DOE) owns and operates the Facility, and Washington TRU Solutions LLC (WTS) co-operates the Facility. These entities are collectively referred to as "Applicants" in this public notice.

WIPP manages wastes that are regulated under the federal Resource Conservation and Recovery Act (RCRA), the HWA (Chapter 74, Article 4 NMSA 1978), and their implementing regulations.

WIPP is located north of Jal Highway (State Highway 128) in Eddy County, New Mexico, approximately 26 miles east of Carlsbad. The Applicants are located at the following mailing addresses: DOE Carlsbad Field Office, P.O. Box 3090, Carlsbad, New Mexico 88221-3090; and Washington TRU Solutions LLC, P.O. Box 2078, Carlsbad, New Mexico 88221-5608. The Permittees' primary contact for this permitting action is: George Basabillvazo, Regulatory Compliance Director, DOE Carlsbad Field Office, P.O. Box 3090, Carlsbad, New Mexico 88221-3090.

I. NOTICE OF HEARING AND OPPORTUNITY TO COMMENT ON THE DRAFT PERMIT

On September 25, 2009, the Applicants submitted to the Department a permit renewal application to manage, store, and dispose of TRU mixed wastes at WIPP under the HWA. The Department issued a draft Permit for WIPP for public comment on April 27, 2010, which it is proposing to approve.

when finalized, would allow WIPP to continue hazardous waste management operations in much the same manner as those authorized by the existing Permit, such as: requiring generator/storage sites to implement applicable waste characterization requirements prior to the receipt of TRU mixed waste at WIPP; conducting waste characterization audits at generator storage sites to ensure their implementation of and compliance with applicable requirements; safely managing, storing, and disposing contact-handled and remote-handled TRU mixed waste upon receipt at WIPP; performing required environmental monitoring of air and groundwater at WIPP to ensure protection of human health and the environment; closing all permitted storage and disposal units following final receipt of waste; conducting required post-closure care activities after final closure of WIPP; and complying with corrective action requirements related to any release of hazardous waste or hazardous constituents from the Facility.

Through this notice the Department announces a public hearing to accept additional public comment and provide persons a reasonable opportunity to present data, views, and arguments, as well as to examine witnesses on the draft Permit prior to issuance of a final Permit. See II. Public Hearing, below which addresses the public hearing on submission of public comment on this action.

II. PUBLIC HEARING

A public hearing on the draft Permit will begin Monday, August 9, 2010 at 9:00 AM MDT and continue as necessary through Friday, August 20, 2010. The public hearing will provide interested persons a reasonable opportunity to present data, views, and arguments, as well as to examine witnesses. The hearing will afford an opportunity for all persons to present comment. Except for one day as noted below, the public hearing will be held at the Santa Fe Community College (SFCC) located at 6401 S. Richards Avenue, Santa Fe, NM 87508, in the Board Room (Room 223). The hearing will convene for one day for non-technical oral public comment in Carlsbad, NM on Monday, August 16, 2010 at 2:00 PM to 4:00 PM and 6:00 PM to 8:00 PM at the Best Western Stevens Inn located at 1829 S. Canal Street, Carlsbad, NM 88220. The hearing will then return to Santa Fe the following day at the SFCC location noted above. The hearing will be conducted in accordance with the Hazardous Waste Management Regulations, 20.4.1.901.F NMAC, the Environment Department Permit Procedures, 20.1.4 NMAC, and any scheduling and procedural orders as may be entered by the Hearing Officer.

Any person, including the Applicants, wishing to submit written public comment or present oral public comment at the public hearing for Department's consideration, shall do so according to the procedures set forth below. The public comment period continues through the close of the public hearing.

A. WRITTEN PUBLIC COMMENT

Written public comment on the draft Permit. Written comments shall be based on all reasonably available information and include, to the extent practicable, all referenced factual materials. #### PROCEDURE FOR

#### FINAL PERMIT DECISION

The Department must ensure that the approved final Permit is consistent with the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC). All written comments submitted on the draft Permit will be considered in formulating a decision on issuance of a final Permit, and may cause the draft Permit to be modified.

The Department will respond in writing to all public comments. This response will specify which provisions, if any, of the draft Permit have been changed in the final Permit, the reasons for the changes, and briefly describe and respond to all public comments on the draft Permit raised during the public comment period. All persons presenting written comments or who requested notification in writing will be notified of the Department's decision by mail. These responses will also be posted on the Department's website.

After consideration of all the written public comments received, the Department will issue, modify and issue, or not issue a final Permit. If the Department modifies and issues the Permit, the Applicants shall be provided by mail a copy of the modified documents and a detailed written statement of reasons for the modifications.

The Secretary of the Department or his designee will make the final decision on this draft Permit be publicly available, and will notify the Applicants by certified mail. The Secretary's decision shall constitute a final agency decision and may be appealed as provided by the HWA.
