**Block # 16 Acceptance of Proposed Corrective Actions:**

An evaluation has been performed of the proposed corrective actions detailed in the SRS/CCP corrective action plan (CAP) developed in response to CBFO Corrective Action Report (CAR) 11-014. The CAP was submitted via URS/WTS letter CP:10:01766, dated December 22, 2010, from Mr. D. K. Ploetz, Manager, Central Characterization Project Retrieval, Characterization and Transportation, to Mr. D. S. Miehl, Acting Director of Quality Assurance, Carlsbad Field Office.

The results of the evaluation indicate that the remedial actions, investigative actions, root cause determination, and actions to prevent recurrence should adequately address the CAR condition. Therefore, it is recommended that the CAP for CAR 11-014 be approved.
