All –

Please see the e-mail below from James Bearzi, as well as the attached e-mail from the NMED Human Resources Manager for context. As of Tuesday, May 3, I no longer have any role related to the WIPP RCRA permit, or with WIPP in any way. Management believes my talents can be put to better use elsewhere at this stage of my career.

Effective immediately, all official WIPP correspondence previously addressed to either James Bearzi or me should be directed to:

John Kieling, Acting Bureau Chief
Hazardous Waste Bureau
New Mexico Environment Department
2905 Rodeo Park Drive East, Building 1
Santa Fe, New Mexico 87505-6303

Office Phone Number: (505) 476-6035
Office FAX Number: (505) 476-6030
E-mail Address: john.kieling@state.nm.us

You may also provide a courtesy e-mail copy of correspondence to Steve Holmes at steve.holmes@state.nm.us, and he will ensure it is distributed to the appropriate staff person.

It's been an fascinating 16+ years working on the WIPP RCRA permit, and for the most part I've enjoyed my time interacting with you. Best wishes for the future.

Sincerely,
Steve Zappe
