**RE: FEE ASSESSMENT
AUDIT REPORT REVIEW FOR HANFORD SITE (A-11-10)
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088**

Dear Messrs. Ziemianski and Sharif:

The New Mexico Environment Department (NMED) acknowledges receipt of the following audit report:

Facility (Audit Number)	Scope	Initial Audit End Date	Report Received
Hanford Site (A-11-10)	CCP CH Recertification	7-Apr-2011	22 Jun-2011

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.101.J NMAC require the assessment of fees for audit reviews. The fee invoice is attached to this letter. Review of the submittal has already been completed.

Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees on September 2, 2010 for State Fiscal year 2011, and the Permittees transmitted payment of these fees on October 21, 2010, the fee invoice for this permit modification notification has been effectively paid under these supplemental fees.
