Subject: Postponement of the Initial Certification Audit A-11-25 of the SRS/CCP RH Waste Certification Program

Dear Mr. Kieling:

Audit A-11-25 scheduled for September 13-15, 2011 by the Carlsbad Field Office of the Central Characterization Program (CCP) Remote-Handled (RH) waste certification program at the Savannah River Site (SRS) has been postponed. As soon as the audit is rescheduled, your office will be notified. At this point, the projected timeframe for the audit to take place is late October or in November. This audit is the initial certification audit for the RH program at the site.

The CCP SRS Contact-Handled Recertification Audit A-12-02 is currently scheduled for November 15-17, 2011. Audit A-11-25 may be conducted at the same time as the Recertification audit. However, that has not been confirmed at this time.

If you have any questions, please contact Mr. Courtland G. Fesmire at (575) 234-7548.

Sincerely,

Edward Ziemianski
 Interim Manager
