Subject: Notification to Delay CBFO Surveillance S-12-05 WTS Ground Control Program

Dr. Mr. Hoff:

Please be advised that CBFO is delaying conducting Surveillance S-12-05 of the WTS Ground Control Program, which was originally schedule for November 29 – December1, 2011, until December 13 – 15, 2011. Surveillance S-12-09 of WTS Monitoring Programs Surveillance (Subsidence) is also being scheduled for the period of December 13 – 15, 2011. CBFO 's purpose for delaying Surveillance S-12-05 and conducting it concurrently with Surveillance S-12-09 is to more efficiently utilize CBFO resources and place reduced support efforts on WTS, while maintaining high effectiveness of CBFO QA's surveillance efforts.

If you have any questions concerning this matter, please contact me at 575.234.7459.
