Subject: Postponement of Surveillance S-12-11, WTS Hazard Communication and Control of Hazardous Chemicals/Gases

Dear Mr. Hoff:

Please be advised that the subject surveillance has been postponed. The Carlsbad Field Office was scheduled to conduct the surveillance May 1-3, 2012, at the Waste Isolation Pilot Plant. The surveillance has been rescheduled for July 17-19, 2012.

The postponement is due to scheduled Washington TRU Solutions (WTS) vendor maintenance on equipment directly associated with the surveillance. A new surveillance plan and notification letter will be sent to you prior to the surveillance.

If you have any questions, please contact me at (575) 234-7459.

Sincerely,

Richard Farrell
 Quality Assurance Specialist
