Good morning,

I have the letter that will be signed by Jim Davis with all the final edits. All that is needed is a final date for the letter.

Let me know what date to put down and I can forward you the final draft.

Thanks!

Trais,

My revisions are attached. In addition to fixing the references to the Stipulated Final Order, I've suggested reformatting your "arrows" into regular declarative sentences, which I think read better

120825

and more clearly.

Hi Charlie,

John Kieling asked that you review this. We are going to change the letter head and signature line so Jim Davis can sign but I thought I'd get it to you first so you can start reviewing. Thanks for your comments, edits. Ricardo will send the SFO for reference.
