Dear Ms. Kliphos,

I noticed the publication in the newspaper about a modification of a permit at the WZPP hazardous waste disposal facility in Carlsbad and I would like a copy of the permit and the requested modifications.

I do not have access to an internet connection, Fax machine, copier, printer, or phone line (except to make collect calls). If you need any more information please write to me.

Thank You for your time.

Respectfully Yours,

Paul A. Cain
