**Subject:** VOC Monitoring Program

Trais Kliphuis,

I have lived in Carlsbad since 1987 and lived in Eddy County since 1962. I have always stayed informed about the issues of safety at the WIPP site here in Eddy County. After reviewing the proposed Class 3 modifications to the WIPP Panel closure system, the reconfigure of Panels 9 & 10, and the revised VOC Monitoring Program. I believe these changes will enhance the safety at WIPP and should be approved.
