Subject: Approval of the Class 2 Permit

My name is Geraldine Smith and I am a citizen of Carlsbad, New Mexico and I work at Mesa Grande of NM LLC. I encourage the NM Environment Department to approve the Class 2 permit modification request removing the excluded waste prohibition put there in 2004. The issues related to that 2004 prohibition have been addressed. WIPP has been an excellent neighbor, and I support maximizing its use for it's intended purpose.

Thank you for your time,

Geraldine Smith
