Dr. Hardy,

It was nice to meet you yesterday. We appreciate all of the work the Carlsbad Environmental Monitoring & Research Center is doing in Carlsbad and look forward to our continued collaboration. I am copying Tom, Blaine, John Kielling, Trais Kliphuis and Tom Skibitski to this e-mail since they are good contacts at the Environment Department for situations involving the WIPP.

Please do not hesitate to let me know if we can do anything to assist you and thank you for all of your work.

Yours truly,

Ryan Flynn
Secretary
New Mexico Environment Department
