**RE: FEE ASSESSMENT  
CLASS 1 PERMIT MODIFICATION NOTIFICATION  
WIPP HAZARDOUS WASTE FACILITY PERMIT  
EPA I.D. NUMBER NM4890139088-TSDF  
INVOICE HWB-WIPP-14-002**

Dear Messrs. Franco and McQuinn:

The New Mexico Environment Department (NMED) acknowledges receipt of a Class 1 permit modification notification pertaining to the WIPP Hazardous Waste Facility Permit. The notification informed NMED of the following Class 1 Permit Modification: Update Co-Permittee Project Manager. The notification letter was dated March 18, 2014 and was received on March 20, 2014.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within thirty (30) calendar days from the date that you receive the invoice in accordance with 20.4.2.201.B NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for State Fiscal year 2014, and the Permittees transmitted payment of these fees, the fee invoice for this permit modification notification has been effectively paid under these supplemental fees.

Messrs. Franco and McQuinn
