LANL was audited on audit 13-23, July 23-25-2013. Three (3) waste streams in CCP-AK-LANL-006 have been audited. The Three (3) waste streams are LA-MHD01.001, LA-CIN01.001, and LA-MIN04-S.001. At the time of the audit in July LA-MIN02-V.001 was not an approved waste stream. The waste stream profile was approved and sent to NMED in a letter dated August 14, 2013.
