They are both disposed at WIPP. Drum 68327 is in Panel 6, and Drum 68328 is in Panel 7 (15, 5, Middle).

Hi Tori,

Could you find out the location of drums 68327 and 68328? I can ask at the 10:00 call on Monday but thought I'd see if you can get it before then. No worries if you can't.

Thanks.
