Idaho Department of Environmental Quality  
Attn: Brian R. Monson, Manager  
Hazardous Waste Program  
1410 North Hilton  
Boise, ID 83706-1255

Subject: Transmittal of Clean Copy Pages for Class I Permit Modification Request for the Advanced Mixed Waste Treatment Project Hazardous Waste Management Act/Resource Conservation and Recovery Act Permit (AMWTP-PMR-10, Rev. 0) (EPA ID No. ID4890008952) – DN-062-14

Dear Mr. Monson:

In accordance with Permit Condition I.D.5 of the Advanced Mixed Waste Treatment Project Hazardous Waste Management Act/Resource Conservation and Recovery Act Permit, the Idaho Treatment Group, LLC (ITG) is enclosing three hard copies of the clean copy pages for the above-referenced Permit Modification Request, which was approved by the Idaho Department of Environmental Quality on June 26, 2014. Also enclosed is an "Information Only" compact disc containing the PDF version of the clean copy pages and the entire Permit, with the clean copy pages incorporated.

ITG appreciates your attention and efforts on this important project. If you have questions or comments, please contact Doug Collins, Environmental Engineer, (208) 557-6507, or Carol Anderson, Environmental Compliance and Waste Services Manager, (208) 557-6773.

Sincerely,  
**IDAHO TREATMENT GROUP, LLC**

A handwritten signature in black ink, appearing to read 'Danny Nichols', is written over the typed name.

Danny Nichols  
President and AMWTP Project Manager

**RECEIVED**

JUL - 9 2014

**NMED  
Hazardous Waste Bureau**

Mr. Brian R. Monson
