Dear Messrs. Franco and McQuinn:

The New Mexico Environment Department acknowledges receipt of the Final Audit Report for Recertification of the Argonne National Laboratory Central Characterization Project (ANL/CCP). The audit report cover letter was dated November 4, 2014 and was received by the Department on November 6, 2014.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for State Fiscal year 2015, and the Permittees transmitted payment of these fees, the fee invoices for the audit reviews have been effectively paid under these supplemental fees.
