Subject: Waste Isolation Pilot Plant 2014 Annual Hazardous Waste Fee Report

Dear Ms. Duran:

Enclosed is the 2014 Annual Hazardous Waste Generator Fee Report and payment in the amount of \$2,546.59. The fee is based on the Waste Isolation Pilot Plant Facility Large Quantity Generator status.

If you have any questions regarding this submittal or require further information, please contact Mr. George T. Basabilvazo at (575) 234-7488.

Sincerely,

Dana C. Bryson, Acting Manager
Carlsbad Field Office

2014 ANNUAL HAZARDOUS WASTE FEE REPORT

Note: Complete and return this report with your payment

SECTION I: FACILITY INFORMATION AND IDENTIFICATION

Facility Name: Waste Isolation Pilot Plant

EPA Identification Number: NM4890139088

Facility Address: 34 Louis Whitlock Road

Carlsbad, NM 88220

Mailing Address: P. O. Box 2078

Carlsbad, NM 88221

Facility Contact: Francine Cohen

Phone: 575-234-8078

Title: Environmental Scientist

Email: francine.cohen@wipp.ws

Reporting Date: 7/29/2015

The New Mexico Hazardous Waste Generation Fee is comprised of two parts: a Business Fee and a Generation Fee. The Business Fee is determined by your generator status and the Generation Fee is determined by the amount of non-recycled hazardous waste, which is generated by the facility. It is important to note that your generator status is determined by adding the recycled and non-recycled hazardous waste generated by your facility each month.

Detailed regulations covering the annual hazardous waste fees are defined at 20.4.3 NMAC.

SECTION II: ANNUAL GENERATION CALCULATIONS

To calculate the annual waste generation amounts, use the schedule below. Enter the total pounds of hazardous waste generated per month and then subtract the pounds of recycled hazardous waste per month. The difference is the amount of non-recycled hazardous waste generated.

Month	Calendar Year: <u>2014</u>		Non-Recycled (lb)
	Total Hazardous Waste (lb)	Recycled (lb)	
January	75	-	65 = 10
February	594	-	485 = 109
March	96	-	96 = 0
April	115	-	21 = 94
May	44	-	44 = 0
June	4363	-	317 = 4046
July	20	-	20 = 0
August	0	-	0 = 0
September	512	-	132 = 380
October	58	-	58 = 0
November	20	-	0 = 20
December	0	-	0 = 0
Annual Totals	5897	-	1238 = 4659

SECTION III: GENERATION STATUS DETERMINATION

Determine your generator status using the largest amount of total hazardous waste generated during any one calendar month (from first column in Section II).

GENERATOR STATUS:

- * If you generate 220 lbs (100 kg) or less of hazardous waste (recycled and non-recycled) in any one month, you are a Conditionally Exempt Small Quantity Generator (CESQG).
- * If you generate more than 220 lbs (100 kg) but less than 2,205 lbs (1,000 kg) of hazardous waste (recycled and non-recycled) in any one month, you are a Small Quantity Generator (SQG).
- * If you generate 2,205 lbs (1,000 kg) or more of hazardous waste (recycled and non-recycled) in any one month, you are a Large Quantity Generator (LQG).

NOTE: IF YOU ARE A CESQG, YOU DO NOT OWE ANY FEES. PLEASE COMPLETE THE CERTIFICATION SECTION OF THIS FORM AND RETURN TO OUR OFFICE.

SECTION IV: BUSINESS FEES

Based on the generator status determined from Section III, check the appropriate category for this facility and pay the appropriate Business Fee.

Conditional Exempt Small Quantity Generator	no fees due
Small Quantity Generator	\$ 200.00
Large Quantity Generator	\$ 2,500.00

SECTION V: ANNUAL GENERATION FEES

1. **Conditionally Exempt Small Quantity Generators** do not owe any annual generator fees.
2. **Small Quantity Generators** shall pay the following fees based on the average monthly amount of non-recycled hazardous waste generated.

Annual total non-recycled hazardous waste from Section II divided by twelve equals monthly average

<u>4659</u> lb/12 = <u>388.25</u> pounds per month	
1 - 500 pounds/month	\$ 35.00
501 - 1,000 pounds/month	\$ 100.00
1,001 - 2,205 pounds/month	\$ 250.00

If \leq 2,205 pounds/month, enter appropriate fee: NA

3. **Large Quantity Generators** at a site shall pay the following fees for non-recycled hazardous waste generated for the reporting year, if both hazardous waste and hazardous wastewater were generated at the site, the generator must determine the amounts for each to calculate the fee. Use the following fee schedules for these calculations.

a. \$ 0.01 per pound of non-recycled hazardous waste generated at the site.
4659 pounds for the reporting year X \$ 0.01 = \$ 46.59

and

b. \$ 0.01 per ton of wastewater designated a hazardous waste solely because it exhibits a hazardous characteristic.
0 tons for reporting year X \$ 0.01 = \$ 0.00

Total LQG annual fee (a + b) = \$ 46.59

SECTION VI: PAST DUE FEES

Fees owed for previous years are calculated the same as above and are then multiplied by 1%. The **sum** of the annual business fee (Section IV) and the generation fee (Section V) are **multiplied** by the number of months that the fee is past due:

$$\text{Business Fee} + \text{Generation} \times 1\% \times \text{Number of months past due} = \text{Late Fee}$$

Example: (\$200 + \$35) X 0.01 X 10 Months = \$23.50
 Example: (\$200 + \$35) X 0.01 X 10 Months = \$23.50

This late fee is added to the business fee, the generation fee, and the administration charge of \$100 to determine the total past due fee owed for that year:

$$\text{Business Fee} + \text{Generation} + \text{Late Fee} + \$100 = \text{Total Past Due Fee}$$

Example: \$200.00 + \$35.00 + \$23.50 + \$100.00 = \$358.50

If you are paying past due fees for multiple years, you pay the administration charge one time only. The fees for each year are due on August 1st of the following year.

Example: Fees for 2013 were due on August 1, 2014. Please calculate past due fees and enter them below:

2011 Fees	\$	0.00
2012 Fees	\$	0.00
2013 Fees	\$	0.00
Administrative Fee	\$	100.00
 Total Past Due Fees Owed	 \$	 border-bottom: 3px double black; 0.00

SECTION VII: CAP FEES

CAP Fees: The aggregate amount of annual generation and business fees to be paid per person [as defined at 20.4.3.108 NMAC] for any year based on this Part (20.4.3 NMAC) shall be limited to:

One facility	\$	35,000.00
Two facilities	\$	50,000.00
Three or more facilities	\$	65,000.00

If your facility generates non-recycled hazardous waste in amounts which will result in a total fee greater than the amounts given in the above table, you only pay the CAP Fee indicated. These CAP Fees does not apply to late fees.

SECTION VIII: TOTAL FEES DUE

Total Fees (Business Fees, Generation Fees) Owed for Current Calendar Year	<u>\$2,546.59</u>
Total Past Due Fees Owed (if applicable)	<u>\$0.00</u>
TOTAL FEES	<u>\$2,546.59</u>

SECTION IX: CERTIFICATION

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents. I hereby certify that either based on my personal knowledge or my inquiry of those individuals immediately responsible for obtaining the information, the submitted information is true, accurate and complete. I hereby acknowledge that any person who knowingly omits information from or makes any false statement or representation in a fee report may be subject to criminal penalties under the Act.

This is the NMED annual notice for hazardous waste generation and business fees applicable to all facilities classified as Small Quantity Generators (SQG), Large Quantity Generator (LQG). The fee regulations are promulgated pursuant to the provisions of New Mexico Hazardous Waste Act, Chapter 74, Article 4, NMSA (as amended). **Fees are due AUGUST 1, 2015 for waste generated during calendar year 2014.**

If you have any questions or concerns, please contact Charlotte Duran at (505) 476-6012 or James Valdez at (505) 476-6018.
