Subject: Carlsbad Field Office Procedure Change Report for July 2015

Dear Mr. Kieling:

This letter is to transmit the Carlsbad Field Office (CBFO) monthly summary of changes to documents and procedures. The enclosed report lists the documents/procedures changes that could affect performance criteria or data quality, testing procedures, quality assurance objectives, calibration requirements, or QC sample acceptance criteria that were submitted to the CBFO for review and approval during the period of July 1, 2015 through July 31, 2015. This notification is transmitted pursuant to the requirements contained in the Waste Isolation Pilot Plant (WIPP) Hazardous Waste Facility Permit (HWFP), Section C3-9, *Changes to WAP-Related Plans or Procedures*.

We certify under penalty of law that this document and all attachments were prepared under our direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on our inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of our knowledge and belief, true, accurate, and complete. We are aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions, please contact Mr. J.R. Stroble, Director of the CBFO TRU Sites and Transportation Division, at (575) 234-7313.

Sincerely,

 Dana C. Bryson, Acting Manager
 Carlsbad Field Office
