Dear Messrs. Shrader and Breidenbach:

The New Mexico Environment Department (NMED) acknowledges receipt of the Final Audit Report for Recertification of the Sandia National Laboratory/ Central Characterization Program (Sandia/CCP). The audit report cover letter was dated October 29, 2015 and was received by the NMED on October 30, 2015.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2)(b) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for the current State fiscal year, and the Permittees transmitted payment of these fees, the fee invoices has been effectively paid under these supplemental fees.

Messrs. Shrader and Breidenbach
