**RE: FEE ASSESSMENT
CLASS 1* PERMIT MODIFICATION NOTIFICATION
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088-TSDF
INVOICE HWB-WIPP-16-001**

Dear Messrs. Shrader and Breidenbach:

The New Mexico Environment Department (NMED) acknowledges receipt of a Class 1* permit modification notification pertaining to the WIPP Hazardous Waste Facility Permit. The notification, which was approved by NMED prior to submittal, informed NMED of the following Class 1* Permit Modification: *Revise Closure Schedule Dates in Attachment G, Section G-1d(1) and Table G-1*. The notification letter was dated December 30, 2015 and was received on January 5, 2016.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for the current State fiscal year, and the Permittees transmitted payment of these fees, the fee invoices has been effectively paid under these supplemental fees.
