**RE: FEE ASSESSMENT
CLASS 1 PERMIT MODIFICATION NOTIFICATION
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088-TSDF
INVOICE HWB-WIPP-16-005**

Dear Messrs. Shrader and Breidenbach:

The New Mexico Environment Department (NMED) acknowledges receipt of a Class 1 permit modification notification pertaining to the WIPP Hazardous Waste Facility Permit. The notification informed NMED of the following Class 1 Permit Modification: *Three (3) Items: 1) Revise Recordkeeping Requirements for Training; 2) Add Option for VOC Contract Laboratory Proficiency Testing; and 3) Add Live Fire Extinguisher Training.* The notification letter was dated April 27, 2016 and was received on May 2, 2016.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC require the assessment of fees. The fee invoice is attached to this letter. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED submitted an assessment of supplemental permit fees to the Permittees for the current State fiscal year, and the Permittees transmitted payment of these fees, the fee invoices have been effectively paid under these supplemental fees.

Messrs. Shrader and Breidenbach
